**A Life That  
Matters**  
Ron Hutchcraft

*Making the greatest possible  
difference with the rest of your life.*

*You're living for God, yet you're  
not satisfied. You're doing the  
right things, but you're hungry  
for something more. Something  
bigger. Something greater.  
Something that will leave a  
legacy.*

*What is it that You are missing?*

In his groundbreaking book, author Ron Hutchcraft answers this question like you've never heard it before. He puts aside clichéd thinking, Christian lingo, and religious assumptions and encourages you to explore an untouched side of your faith—communicating your faith to others.

With stories, Scripture, and study questions after each chapter. A Life that Matters is ideal for personal devotions or group discussions. It is both inspiring and practical. You'll walk away ready to change your world.

***“When they saw the courage  
of Peter and John and  
realized that they were  
unschooled, ordinary men,  
they were astonished and  
they took note that these men  
had been with Jesus.”***
